

**WELCOME TO YOUR JOB AS
AN IN-HOME SUPPORTIVE
SERVICES (IHSS)
INDIVIDUAL PROVIDER**

This notice briefly describes benefits that may be available to you and your income tax responsibilities. Please read this pamphlet carefully. Also, remember that your employer is the IHSS recipient that hired you, not the State of California nor the County Welfare Department (CWD). The State of California issues this pamphlet and your paychecks on behalf of your employer and the CWD handles all the paper work.

Please contact the CWD whenever you have any questions about your paycheck or timesheet. Always sign and date your timesheet after the pay period ends (not before), also have your employer sign and date it, then mail your timesheet to the CWD address that appears in the lower right-hand corner of the timesheet to avoid any delay in receiving your paycheck. Remember: always keep the CWD notified of any change to your address and/or telephone number.

SOCIAL SECURITY

Social Security benefits are available to individual providers who are 18 years old or older and not the parent of the employer/recipient. The benefits are available if you become totally disabled or retire and meet certain eligibility requirements. There is a deduction from your paycheck for Social Security (FICA). The benefits include monthly retirement or disability payments to you or your dependents. You should contact your local Social Security Administration Office for information and/or to apply for Social Security. The telephone number and address of this office are listed in the white pages of your telephone book under "United States Government, Social Security Administration."

MEDICARE TAX

Medicare is the health and medical benefits received as part of the total Social Security benefits package. In the past, the Medicare tax deduction was a part of the Social Security (FICA) tax deduction. Federal law now requires that the tax and the amount deducted be reported separately. Questions regarding the Medicare tax should be directed to the Social Security Administration.

STATE DISABILITY INSURANCE (SDI)

State Disability Insurance benefits are available to you if you become disabled and are prevented from doing your regular work and you meet certain eligibility requirements. There is a deduction from your paycheck for SDI. State Disability Insurance benefits are available for a maximum of 52 weeks. You should contact your local California Employment Development Department (EDD) office for information and/or to apply for State Disability Insurance. The telephone number and address of this office are listed in the white pages of your telephone book under "California State of, Employment Development Department."

If you are the parent, spouse or child of the person you are providing services to you may choose to participate in the SDI program by applying for Elective State Disability Insurance. The forms for Elective SDI coverage are available from the county social services worker. If you want this optional coverage, the cost will be deducted from your paycheck. All other Individual Providers are automatically covered for SDI if they have IHSS quarterly wages in excess of \$750.

UNEMPLOYMENT INSURANCE (UI)

Unemployment Insurance (UI) benefits may be available to you if you are not the parent or spouse of your employer/recipient and become unemployed, able and available to work and you meet certain eligibility requirements. There is no deduction from your paycheck for UI. Unemployment Insurance benefits are available for a maximum of 26 weeks. You should contact your local California Employment Development Department office for information and/or to apply for Unemployment Insurance. The telephone number and address of this office are listed in the white pages of your telephone book under "California State of, Employment Development Department."

WORKERS' COMPENSATION

Workers' Compensation benefits are available to you if you are injured on the job or become ill due to your job, and you meet certain eligibility requirements. There is no deduction from your paycheck for Workers' Compensation. If you are injured on the job, you should seek medical attention immediately and then notify your employer/recipient's county social services worker. Claim forms to apply for Workers' Compensation are available from the county social services worker and should be returned to the County Welfare Department when completed. For more information about Workers' Compensation, you may call an Information and Assistance Officer at 1-800-736-7401.

INCOME TAX WITHHOLDING

You may have state and federal income tax withheld from your paycheck if you apply and you meet certain eligibility requirements. Income tax withholding for individual providers is strictly voluntary. If you wish to have state and federal income tax withheld from your paycheck please complete the Income Tax Withholding Form (W-4) and mail it to your county welfare department. If you do not have state and/or federal income tax withheld from your paycheck, you are still required to file a tax return at the end of the year and possibly pay taxes on your earnings. You should contact your employer/recipient's county social service worker if you require additional W-4s, need to change your withholding, or need to determine the status of your withholding.

You should contact your local California Franchise Tax Board (FTB) office for information about state income tax withholding. The telephone number and address of this office are listed in the white pages of your telephone book under "California, State of, Franchise Tax Board." You should contact your local Internal Revenue Service (IRS) office for information about federal income tax withholding. The telephone number and address of this office are listed in the white pages of your telephone book under "United States Government, Internal Revenue Service."

EARNED INCOME CREDIT (EIC)

You may be eligible for the Earned Income Credit (EIC). To find out about EIC and if you are eligible, carefully read the instructions for completing a form W-5 (Earned Income Credit Advance Payment Certificate). If you are eligible for EIC you can choose to get the credit in advance with your pay instead of waiting until you file your tax return. You should contact your local Internal Revenue Service office or your tax consultant for information about EIC.
